

RESERVATION REMINDERS

We would appreciate your using this form to advise us of how you wish to use your week(s) this year, and send it with your maintenance fee payment.

If you plan to deposit your week into the RCI or Interval International exchange banks, we urge you to do so as early as possible in order to realize maximum trading power against your week. Your maintenance fees must be paid prior to depositing your week.

If you wish to place your week in our RENTAL PROGRAM, please let us know as soon as possible, allowing your week to have maximum exposure and increasing the likelihood of securing a rental. Upon receipt of your written request to place your week in the Rental Program, we will forward a rental agreement for your signature. **Please keep in mind that rental of your unit cannot be guaranteed, nor can you necessarily count on receiving the same rental amount that you might have gotten in the past, especially given the recent slowdown in the economy.**

In order to carry over your week(s) into a future year or to change your designated week, you must utilize the RCI or Interval International exchange programs. Again, your maintenance fees must be paid prior to reserving your week(s) for any type of usage.

Please include both day and evening telephone numbers on all correspondence. If a problem arises, a quick phone call can often resolve the matter. We would also like to have your e-mail address on record. Future newsletters and other owner information can then be forwarded to you via the Internet, reducing costs and increasing communications directly to you.

Thank you and please let us know if there is some way we can be of better service to you.
